

End-of-The Year Giving Is Easy

Finding a great, local mission project to support before the year end is easier than ever thanks to **Pacific Mission Exchange**.

PMX is a new website that highlights local, grassroots mission projects sponsored by Presbyterian congregations on the West Coast. Developed by the Synod of the Pacific, PMX is a place where you can learn about life-changing local missions that need your financial support. From Oregon to Nevada, from Idaho to California, congregations are feeding hungry families, helping to get the homeless off the streets, helping to secure health insurance for children, and supporting conference centers - just to name a few of the 30 projects and counting on the website.

The PMX website is professional designed and offers a secure, quick, and easy-to-use process that allows you to use your credit card for an immediate donation. Plus, PMX does not charge a transaction fee so all of your donation goes straight to the project you choose to support.

Come visit Pacific Mission Exchange today. Find projects you want to get involved in. Tell your friends and family about this important new way to get involved.
